

# CFL R7s

## Energy-saving Alternative to Double-ended Halogens

The CFL R7s is a low heat energy-saving lamp to substitute blazing hot double-ended halogens that often burn out easily. This lamp allows fitting into most fixtures with an R7s lamp holder and delivers 15,000 hours of continuous illumination without dilemmas related to over-heating.

## Applications

Shops, boutiques, gate lighting, pillar lighting and signages.
